

Choice Dermagel Alcohol Sanitizer

Hand Sanitizers

800ml Bag in Box 62% Alcohol Sanitizer

Description

DermalGel Waterless Hand Sanitizer is a mild, antibacterial gel with an alcohol content of 62% and a preservative to inhibit the regrowth of bacteria after drying. This product is very effective against the war on germs. It is fast and easy to use. Waterless alcohol rubs are the leading tool for hand disinfection, far superior to soap and water. CDC* recommendations, as well as evidence based data reports, state they are more effective in removing pathogens. DermaGel meets all recommendations for choosing an alcohol waterless rub.

Directions for Use

No water is required. Just dispense a drop the size of a dime onto your hands and rub gently for 15 seconds.

Must be used in a Universal Bag in the box dispenser

Dispenser # 404-110 White Universal Bag in Box Wall Dispenser

Safety Cautions
