

Stainblocker Spray

Dupont Zonyl Fiber Protector

Carpet Care

Description

This product is a highly durable carpet overspray protector and provides a high level of resistance from wet, oily and dry soils. It exhibits an excellent resistance to detergents and can maintain its properties through several extraction cleanings. Stainblocker Spray contains DuPont Zonyl 5180[®], creating an anti-soiling, anti-staining and protective barrier for use on fabrics, upholstery, and carpet. This product is recommended for use on 5th generation carpeting as an after cleaning treatment.

Directions for Use

It is first recommended that all carpet manufacturers' recommendations be followed. Proper coverage is essential to the performance of fabric protectors, and it is important to follow recommended dilutions and application procedures.

For spraying, it is recommended to use this product as is. This product may be diluted up to 1:3 if needed.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
