

# Strike Force

Super-Strength High pH Pre-Spray and TLC

**Carpet Care**

## Description

Strike Force is a super-strength high pH detergent that dissolves quickly and completely and will melt away the toughest carpet soils. This high alkaline, solvent based formula will blast off grease and grime without extended dwell time. Strike Force will penetrate, emulsify and suspend soils so they can be rinsed away freely. This will be your go to product for filthy restaurants, apartments, commercial and industrial properties. Strike force works great on olefin carpets as well as nylon.

## Directions for Use

**Pre-Spray:** Dissolve 2-4 ounces of Strike Force per gallon of hot water depending on soil buildup and apply to carpet. Allow to dwell for 10 minutes and extract with acid rinse.

**Injection Sprayer / Hydro-Force:** Dissolve 18 ounces of Strike Force in 1 gallon of water and use as your concentrated solution.

## Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

## Features & Benefits

- Aggressive, high pH detergent for extremely soiled carpets
- Melts away grease and grime without extended dwell time
- Dissolves quickly and completely
- Highly concentrated, very economical
- Great for Olefin Carpets

## Specifications

Appearance:	White Powder
Odor:	Low
PH 1% Solution:	11 – 11.5
Specific Gravity:	N/A
Detergency:	Excellent
Biodegradable:	Yes

## Dilution

Pre-Spray..... 1:64 (2 ounces / gallons)

## Available Sizes

- Case/ 4x7.5lb : Item # 702108
- Pail / 45lb : Item # 702116
- Keg / 100lb : Item # 702113
