

# Truck & Panel Wash

## Alkaline Industrial Truck Wash

## Automobile

### Description

A high quality panel cleaner for painted trailers and over the road vehicles. Removes heavy road film and carbon stack stains. Brushing may be necessary but usually is minimal. Do not use on anodized aluminum. Do not use on surfaces protected by new poly sealers. Sealing compound could be damaged or removed. To use for light to medium build-up use product at 4 to 6 ounces per gallon of water. For heavy buildup use at the rate of 8 ounces per gallon of water.

### Directions for Use

Can be applied with pressure sprayer or pressure washer. In either situation it is recommended that any application of this product to be done from the bottom of panel toward the top. If over used and applied in the wrong manner some streaking might occur. These dilutions are offered as normal use levels. In some cases a higher concentration may be necessary but care should be taken to try dilution. Test material in an inconspicuous area to guard against fading. For light to medium build-up use product at 4 to 6 ounces per gallon of water. For heavy buildup use at the rate of 8 ounces per gallon of water.

### Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Features & Benefits

- Economical - super concentrated: dilutes 1:128
- Safe on most metals, and on surfaces not harmed by water
- Works well in hard or soft water
- Biodegradable
- Cuts grease, grime, carbon, and stack stains
- Cuts heavy road film with ease
- Agitation held to a minimum

### Specifications

Appearance:	Brown Liquid
Odor:	Low
PH	12-13
Specific Gravity:	1.06
Biodegradable:	Yes

### Dilution

Light Soil.....	1:128 ( 1 ounce / gallon)
Medium Soil.....	1:32 ( 4 ounces / gallon)
Heavy Soil.....	1:16 ( 8 ounces / gallon)

### Available Sizes

- Pail/ 5 gallon: Item # 800005
- Drum/ 30 gallon: Item # 800011
- Drum/ 55 gallon: Item # 800006
